"The Challenge of Change"

The 2018 DATTA QLD state conference is designed to explore current and emerging practice, showcase professional development resources and facilitate collaborative and reflective thinking.

As a teacher, you're a valuable Teaching and Learning resource in the classroom of today.
We are seeking session presenters on topics such as (but not limited to) the following:

- 3D printing and/or laser cutting and engraving in the classroom;
- Creating and Writing challenging and relevant assessment instruments;
- Workshop projects using jigs and guides; (eg Kreg jig, Gifkins dovetail jig, router guides)
- Writing a new study plan;
- Mapping the new design syllabus;
- Using ACARA to develop pathways for students;
- Using Google Apps/Microsoft software;
- Managing change with technology;
- Working and sharing together;
- Utilising/Engaging (local) industries.

Your own PD hours

It is great to see the sharing that happens on the ITD discussion list and we strongly urge you to share your journey with your colleagues.
Download the presenter's documents from the DATTAQLD website.
