

## **DESIGN & TECHNOLOGIES WEEK** OCTOBER 15th-21st 2018

- Cardboard boxes or lids
- Stick tape  $\Diamond$

 $\Diamond$ 

Glue stick or hot glue gun  $\Diamond$ 

Straws  $\Diamond$ 

- **Toilet roll tubes**  $\Diamond$
- Paper or plastic cups  $\Diamond$
- Lego  $\Diamond$
- Plasticine  $\diamond$
- Paddle pop sticks  $\Diamond$
- Marbles or small balls  $\Diamond$

## Instructions

Students use one box or lid as the base for their

maze. They then create obstacles using whatever materials they like, they can even put some holes in that the marble can fall through.

They can decorate it if they like.
